

Madison Hosts High School Football “Pick ‘Em Challenge”

Starting the week of September 5th, Madison Communications will be sponsoring a Football “Pick ‘Em Challenge.” Area residents are invited to pick winners each week for the local area high school football games. Contestants will be awarded points for correctly picking the winning team and the winning score.

To play, participants must visit Madison’s website at gomadison.com and click on the “Pick ‘Em” button. Results will be posted weekly. At the end of the 7 week period, the top 3 finishers overall will each receive a Football Fan Pak which includes a \$50 Madison gift card.

Participating area high school football teams include the Staunton Bulldogs, the Mt. Olive Wildcats, the Bunker Hill Minutemen, the Gillespie Miners, the Edwardsville Tigers, and the Highland Bulldogs. Updates will be posted to Facebook and Madison’s website.
