

## **Madison to Host Ecycling Day at Main Office in Staunton on January 28th**

Madison Communications will be sponsoring an Ecycling Day at their main office in Staunton, 21668 Double Arch Road, on Saturday, January 28<sup>th</sup>, from 9:00 a.m. to 3:00 p.m. Any electronic device including, but not limited to, computers, monitors, small appliances, VCR's, and printers. Large white box appliances and televisions will not be accepted.

Effective January 1<sup>st</sup> of this year, electronics may no longer be discarded through regular trash pick-up, so Madison is offering this free service to residents to make it convenient for area residents to recycle old electronic devices. Each recycler participating in this "go green" event will receive a free tote bag, compliments of Madison.

Some of Madison's other current "green" projects include Online Bill Pay where customers can sign up at Madison's website for paperless billing. E-payment options include credit and debit card, as well as ACH (automatic withdrawal).

Madison also participates in paper recycling by shredding discarded paper and donating it to Adopt-A-Pet in Benld for their animal shelter.

For information regarding local area television recycling centers, contact your local Goodwill Store. Questions regarding Madison's Ecycling Day may be directed to 1-800-422-4848 Monday through Saturday, 8:00 a.m. to 5:00 p.m.
